

April 11- HLMDI president Dr. Kia Goolesorkhi will be presenting updates and proposed solutions in the area of Migration Health Governance and Managed Migration Health to the academic audience in the city of Pecs at the Knowledge Center of the University of Pecs between 17:45 and 18:45.

The presentation will be putting emphasis on the importance of a globally integrated and inclusive healthcare system responsive to the specific needs of the migrants and ethnic minorities. The initiated Hungaro-American collaborations between Pecs and Ohio offer a unique platform for establishing a US-EU knowledge network for sharing resources and best practices crucial for impactful response to the current and future crises arising in this field.
