

About Team NEO

Team NEO is an economic development organization focused on creating jobs for Northeast Ohio's residents. In collaboration with our partners, it leads the region's business attraction efforts, supports business retention and expansion work as Northeast Ohio's JobsOhio affiliate, accelerates the impact of innovation in the region, and aligns strategies and resources within the economic development network to maximize its impact. In addition, Team NEO provides tools to assist employers in attracting talent to the region. For more information, visit www.clevelandplus.com.

Region sees 59% growth in biomedical sector from 2000 to 2016

The biomedical industry in Northeast Ohio has grown 59 percent from 2000 to 2016 while other industries remained relatively flat, reports the quarterly [Cleveland Plus Economic Review](#) released today by Team Northeast Ohio (Team NEO).

"Our biomedical industry benefits from Northeast Ohio's talented individuals, its world-class institutions, its strong support system for entrepreneurs and start-ups, and its globally competitive manufacturing sector," said Bill Koehler, Team NEO's CEO. "We have confidence that the industry will continue to flourish here as our region applies its expertise in areas such as additive manufacturing as well as smart devices and systems to biomedical applications."

Northeast Ohio experienced rapid growth in the biomedical industry, with \$2.3 billion invested in more than 400 start-ups since 2003. As the sector advances, there is opportunity for continued job growth.
